MQC

MADELINE QUITTA-CARNEY
UX | WEB DESIGN

OBJECTIVE

I aspire to obtain a position within a challenging and dynamic environment that will enable me to use and continue to develop my strong organizational skills, educational background, and technical expertise.

To gain more knowledge, I am currently learning more about HTML, CSS, and JavaScript with SoloLearn, a place where you can learn to code for free.

SKILLS

- Adobe XD
- UX/UI
- Photoshop
- Illustrator
- WordPress
- JQuery
- Prototype
- Bootstrap
